*Supporting the State Society of Florida*

The State Society of Florida (SSF) is a Washington, DC non-profit organization dedicated to promoting the culture, commerce, and traditions of Florida in our nation's capital. Open to all, SSF welcomes those who hail from Florida or share a deep personal or professional connection to the Sunshine State.

Throughout the year, SSF hosts a variety of events that provide a platform to bring together Florida's Congressional Delegation, their staff, professionals working for Florida-based companies, and friends of Florida working in the DC region. These gatherings are possible thanks to the generous support of our corporate and individual members in the Florida Sunshine League (SL), a network of SSF champions—some of the Sunshine State's most dedicated advocates—who foster connections and celebrate Florida's heritage.

For years, SSF has been known for its signature events—including the *Stone Crab Stomp*, *Cheeseburger in Paradise*, and *Florabama*—and other popular activities and happy hours. The summer of 2025 marked the inaugural *Summer Down Under* event in partnership with the Australian Embassy in Washington, DC, and additional Embassy events are planned. These many gatherings offer a welcoming space to connect, collaborate, and celebrate Florida's rich culture and traditions.

In 2026, SSF will partner with the Florida House to launch a series of briefings featuring speakers from Florida's Congressional Delegation, Executive Branch officials, business leaders, and other notable Floridians. These events will convene leaders from government, business, academia, and non-profit sectors to discuss public policy issues important to Florida and provide an opportunity for all participants to strengthen their Florida focused networks.

Members of the Sunshine League serve as SSF sponsors, with year-round access to all SSF events. Sunshine League members will also enjoy exclusive access to the 2026 event series, ensuring a front-row seat to Florida's key conversations in Washington.

Thank you for your interest in supporting the State Society of Florida as a Sunshine League member. Together, we keep Florida's voice strong and vibrant in our nation's capital.
